

Good day, everyone!

Choose what to do: Watch the video, read, colour, act out the baptism, eat honey, do the word search, encourage questions.

Daily Life Questions

Do you ever wish you looked like other kids?

Do you ever think, what if I was smarter?

Or I would be a happier person if I had that _____? Fill in the blank with something you really want.

God looks right at you and is **overjoyed**. If you have ideas saying "I want people to like me more, or if only I had elbows like her." Those *can* be lies, that don't help you. You can ask God to be with you, to be content in the life he has given you. Just keep asking and living and learning from Jesus. Think about your thoughts! At the same time, God wants us to keep

elbow

progressing. Learn, read, train! Just spend less time thinking about strange looking elbows or that weird looking tooth.

Do you think God sees you, as you are, and says, "Wow, I made them, wow!"?

He does, and that is why he is closer than the air around you, helping you see, that when he made you, he gave you everything you need for life! Your part is to be with him, learning how to live with him, learning how to love other people.

Trinity Thinking

God, Jesus and the Holy Spirit. They get along so well, they can show you how to be content with what you have, who you are and what you have done. And they can help you change, if you want, the things that need to be changed. They love you so much, that they will never force you to love them, or be with them.

God isn't pushy. You can experiment with that.

JOHN THE GUY WHO DUNKED PEOPLE IN WATER

AKA John the Baptist

Baptism in water shows our connection to God and with other people who are together with God.

When Jesus came, more than being dunked in water, Jesus showed that we can be totally surrounded inside and out with the Holy Spirit. The Holy Spirit is God's personal power that is always with us. It is invisible.

We don't see the Holy Spirit, God gave us the Holy Spirit to be with us all the time. To help us. To give us power to do what we can't do on our own.

John baptized Jesus in water, and Jesus baptizes us with power, in the Holy Spirit.

How was John different than most other people?

How were John and Jesus related?

Who was John pointing people to?

What came on Jesus like a dove when he was baptized?

What opened up for Jesus to see? Who was pleased with Jesus?

Do you like bread with honey? Do you add a grasshopper to your sandwich sometimes?

Pray and ask God, talk with God. Tell him the bad stuff, then open up your hand, and hand him that bad stuff. **Say** "Here you go, I can't deal with it by myself."
